# the Kakadu 16

## Freedom to Explore

WWW.SIGNATURECAMPERTRAILERS.COM.AU

Built for rugged terrain and remote adventures, the Kakadu 16 features a powerful 10kWh 48V battery system, delivering industry-leading off grid performance. This cutting-edge system ensures you can run induction cooking, a full-size internal fridge, and all your appliances with ease – no generator required. Inside, you'll find true luxury. A full queen-size bed promises restful sleep after long days on the track, while the spacious ensuite with separate toilet and shower provides the convenience of home in the heart of the wild. Relax in the leather L-shaped lounge, designed for maximum comfort and style, whether you're entertaining or just unwinding after a day of adventure. Outside, the external gourmet kitchen makes cooking a joy, with ample prep space and premium appliances perfect for feeding the whole crew under the stars. Whether you're chasing the red dust or beachside serenity, the Kakadu 16 is the hybrid camper that delivers comfort, power, and capability without compromise.
